

AFTER-SCHOOL CLUBS

Academic Year 2024-2025

INTERNATIONAL SCHOOL
MARESME

Our After-School Clubs are full of energy!

As a school, we recognise that effective learning does not always take place exclusively in the classroom. We wish to **broaden learning horizons** so that students can connect the outside world to their experiences in school. Each club in school tries to provide these enrichment activities in their own way.

This is why we would like to offer a **variety of after-school clubs for students** to enjoy and enrich their education at ISM. Clubs will go on all year round, so it will be organised annually.

Please, take in account that for any club to run, there is a **minimum requirement of 5 students** in attendance.

We have added the number of sessions taking into account bank holidays and school closure.
